TO BE HIS LIGHT THAT TRANSFORMS LIVES

Volume 103 Issue 8

A publication of St. John's United Church of Christ

***A Message from the Designated Pulpit Supply Minister:
Rev. J. Martin (Marty) Westermeyer***

It is that time of the year when we usually want to get back into some kind of schedule: whether it is work, school, sports, social activities or the Church. As a norm, we all would have taken some time off during the summer to enjoy more time for family, for self, and hopefully with God. The past months have put us all into a different pattern or schedule – sometimes where we would not normally venture.

Personally, I like some scheduling in my life. It helps me to keep on track, to get things done, and to know what is expected of me. For me there is some comfort in that.

I also know that by keeping “too much” of a schedule does not allow flexibility in getting things done. And sometimes one may overlook something, or not allow a new experience to happen.

The same is true in our journey of faith. We have been required in the last months to be away from our regular schedule(s) of Worship, devotions and church activities. It is my hope that you were able to experience God in different ways than you were expecting during this time of separation from each other. It is also my prayer that your experience may have strengthened your relationship with God.

As we attempt to re-connect through our scheduling of meetings, social times, but most importantly, Worship, I hope that we will not get caught up in attempting to make our time together “regular” or “normal”. I pray that we will continue to see how God is moving in and out of our lives in unexpected ways. Meetings are done by social distancing and masked or

via Zoom or by conference calls. Our Worship is done virtually through video and in-person with certain restrictions.

As we experience God in different ways, may we share that relationship with others who may need to hear the bit of Good News in their life!

Continue to share the faith - see you in church!
Pastor Marty

Designated Pulpit Supply Note

As some of you may or may not know, I have agreed to be the Designated Pulpit Supply for St. John's United Church of Christ. My time with you depends on the progress of the Search Committee. Currently, I have covenanted to be with you to the end of September and decision will be made month to month after that depending on the Search Committee. A letter went out the week of August 17th explaining what my presence and ministry among you would entail. I will be with you each Sunday sharing in the leadership of the in-person Worship in the sanctuary. On Wednesday's, I will be at the church making my part of the video for distribution on the St. John's UCC YouTube channel. On Wednesday's and throughout the week, I plan on reaching out to those who are homebound or who cannot attend Sunday morning in-person Worship with notes, emails, or phone calls. I look forward to being in ministry with you as we journey together.

Update From The Pastoral Search Team

The church profile has been posted with SONKA and we have already received some pastoral applicants. We are now reading through them and scheduling interviews. We will keep you updated. We want to thank you for your continued prayers and support, especially during this next phase of the process for the search for our next pastor.

A Prayer for our Pastoral Search Committee

Almighty and ever living God, look favorably upon us, the people of Holy Comforter, in this time of transition as we search for a new pastor. We pray for the life of our congregation, that we may continue to be guided by your love and strengthened in our mission to serve you through ministry, fellowship and worship.

We pray for the search committee, that their hearts and minds may be open to what your spirit is saying. We pray for the pastor whose name is yet known to you alone, that he or she be open to your call. Give us your grace to follow where you would lead us and grant us your peace. In Jesus' name we pray. Amen.

Update from the Prayer Ministry

“Then you will call upon me and come and pray to me and I will hear you.” Jeremiah 29:12

Just a short note to remind everyone that the Prayer Group is still actively praying everyday for each person on our list. We are praying each day in our own homes and also praying that we will be able to meet again very soon ,as a group, in the church parlor.

Please tell Kelli, in the office, or me if you or someone you know is in need of prayer. And, as always, the names will be made public on our list, unless you tell us otherwise. Also the reasons for needing prayer are held in the strictest of confidentiality.

Blessings,
Darlene Knepshield

The Story Of The Hymn “ Softly and Tenderly”

Will Thompson was a devout Christian, and while attending a Dwight L. Moody evangelistic meeting decided to devote himself to writing and promoting Christian music. He wrote "Softly and Tenderly Jesus is Calling" in 1880. It quickly became popular as a hymn of invitation in evangelistic meetings, and was soon incorporated into church hymnals as well. Thompson also wrote "Jesus is All the World to Me" in 1904, and it became quite popular as well. He was as successful with Christian music as he had been earlier with secular music. I have read that he sold two million books of quartet music.

Dwight L. Moody, the most famous evangelist of his day, used "Softly and Tenderly" as an invitation hymn in his crusades. Thompson visited Moody as the latter was dying, and Moody told him, "Will, I would rather have written 'Softly and Tenderly Jesus is Calling' than anything I have been able to do in my life" — quite a tribute from someone as accomplished as Moody.

Even though he became quite rich, Thompson continued to live a life of service. He supported various civic and religious activities generously. He was also aware of the fact that small town people had very little exposure to good music, so he loaded a piano on a horse-drawn wagon and went through small Ohio towns giving concerts of his music. I have always loved playing this hymn. I have played it all my life and I find it very beautiful and meaningful. I hope you love it too.

Online Worship Update

Members & Friends of St. John's,

As you know, we started doing online church worship services with our sister churches St. John UCC Bellevue and Christ Church UCC Ft. Thomas at the beginning of the pandemic. We are grateful to have had the opportunity to partner with these groups; however, this is something that has lasted longer than we had originally intended.

With that being said, there will be changes in the format of the online services during the month of September.

- On Sunday, September 6, we will have our last traditional online worship service in the format that we have been watching since the start of the pandemic.
- On Sunday, September 13, all three churches will work together in a celebration service honoring the hard work, collaboration and Christian fellowship that we have experienced during this process.
- Sunday, September 20, we will see the start of the new St. John's UCC online worship service. These services will utilize the same material that will be available at the in-person worship presented in the online format.

There will be no changes in how the services may be accessed each Sunday. Just follow the same instructions as before or contact the church office with questions. The only difference is that the presentation will be from St. John's members and have a worship similar to the in-person service instead of a collaboration between the three churches.

I hope everyone is as excited as I am about these changes. If you have any questions or would like to help participate in these services, please reach out to me at kyle.taylor@stjohnsuccnewport.org

Have a Blessed Day!

How to View St. John's Online Worship Services

Can't come to church? Below are the various ways that you can continue to stay connected to our worship life together. You will still

continued on next page 6

be able to access the bulletin and order of worship for Sunday on our church website (www.stjohnsuccnewport.org). You will be able to access the worship services in several different ways:

Call in (audio only)

This method ONLY works starting at 10:30 a.m. on Sundays. To access this each Sunday, you can do the following:

- At 10:30 a.m. on Sundays, call either 929-205-6099 or 312-626-6799 (either number will work).

- You will then be (quickly and repeatedly) prompted to enter a meeting ID – that ID is 997-401- 6614.

- You will then be asked a participant ID. There is no need to enter a number. Simply hit # on your phone and you will be connected to the audio of the service.

That is it. You will be connected.

Video

You can access the video of the worship service starting at 10:30 a.m. ET each Sunday and it will be available any time after that as well. There are multiple ways to access the video of the worship service.

St. John's UCC website

<http://www.stjohnsuccnewport.org>

On the front page of the website will be a permanent link to the worship service. This will take you to a page where the video will be shown.

St. John's UCC Facebook page

<https://www.facebook.com/stjohnsuccnewport>

You do not need to have a Facebook account to access this page (but Facebook will nag you about making an account, nothing we can do about that). The service will be posted here. If you have a Facebook account, you will be able to post comments, questions, thoughts about what you experience and how the Spirit speaks to you.

St. John's YouTube Channel

<https://tinyurl.com/y8jmgxq5>

This link will take you to the St. John's YouTube channel and the most recent worship service as well as other videos we are working on. If you have a "Smart TV" or something like a Roku, AppleTV, or other device you can also access this through your TV.

A Message from our Church Council President

To the Members and Friends of St. John's,

We have now been having Sunday services in church for the past seven weeks. In addition, we have had our sister churches of Christ Church, Ft. Thomas and St John, Bellevue assisting in online services each Sunday. Our thanks and appreciation go to each of the churches and we are humbled by their cooperation. However, after September 13th, all 3 churches will begin to offer separate online services. St. John's will continue our own service with readings, a pastoral message and music.

Kyle Taylor, Kelli Taylor, Michael Sullivan and Pastor Marty will produce our weekly online service which will be broadcast on our new website, FACEBOOK page and Zoom meeting call in line. Please be patient with us as we are venturing into uncharted waters and will need all the support we can get. If you have skills or experience which may assist, please contact Kelli and volunteer. Your help will be greatly appreciated.

Everything else is going well. We have been having about 50 parishioners each week. We are taking all precautions necessary--temperatures checked, questions asked about health, social distancing practiced, and masks, gloves and hand sanitizer available if needed.

We encourage all of you to join us as soon as you feel comfortable. We will be waiting for you with open arms, but for now, we will only” fist or elbow bump.”

God bless you and please pray for our church. We love you all and look forward to the day when we can all worship together once more.

In Christ's Name,
Jan Knepshield, Church President

Updating the 2021 Church Directory

The church office will begin the process of updating the church directory for 2021. Over the past year we have been celebrating all of our members and friends birthdays and anniversaries in the Visitor each month. While we have some of these dates on file, we are still missing quite a few. If you could take a moment to fill out the form on page 9 and drop it in the offering plate on Sunday morning or mail it to the church office, we will take care of updating your information. We are asking for a little more information this year because we have been trying to update all of our members information in our PowerChurch database over this past year. If you do not know the dates for some of the information on the form, don't worry, you can just leave it blank. Thank you for all of your help in this endeavor.
