The Show Must Go On!!

Due to the unprecedented pandemic that the year 2020 has brought to us, our Chancel Choir has not been able to meet and make music together since March. For the first time in many many years we were not able to put on our annual Christmas concert. This event has been something that our congregation and the entire community has looked forward to every Christmas. What to do??? Our Choral Director Dobin Park decided that we could do a virtual concert. With the talent of our Choral Scholars, we were safely able to rehearse and video this concert for you. Even though it was not safe to bring together our entire Chancel Choir, we were able to bring them together virtually for the finale. The concert features the cantata "The Road to Bethlehem" by Lloyd Larson. Through this music and narration you will experience again the miracle of God sending His son to save us. Thanks to Dobin, our Choral Scholars and our Chancel Choir for bringing this wonderful program to us. May it add to your Christmas joy!!!
